The Marina at Brown & Howard

Newport, RI

The Marina at Brown & Howard is located in the heart of historic Newport, Rhode Island. For centuries Newport and its harbor have welcomed visitors from all over the world, creating a vibrant, working waterfront that is equally suited to tradesman and vacationers. The Marina at Brown & Howard was designed to further that tradition and contributes valuable and convenient dockage for vessels up to 250 feet.

Surrounded by 16 new, extraordinary, harborfront homes (The Residences at Brown & Howard), The Marina provides full-service amenities to visiting boats, including fuel, 100AMP/3phase power, pump-out, wireless internet, provisioning, and parking for yacht owners and guests - all this, in the heart of downtown Newport.

Newport is New England's premier holiday and summer destination, and enjoys the well-earned reputation as "The Sailing Capital" of the United States. The city is dominated by coastline, a harbor bustling with commercial fishing boats, motoryachts, and sailboats, and an active racing schedule that keeps things busy on the water year-round. The 2008 Summer Season will continue the city's tradition of hosting some of the year's premier boating events - including the New York Yacht Club Annual Regatta (June 13-15); the start of the Newport

to Bermuda Race (June 20); the 26th Annual Spring Charter Show (June 24-28); the American Superyacht Forum (June 24-27); Wall Street Corporate Challenge Cup (July 11-12); The Newport Bucket Regatta (July 20-22); Race Week Presented by Rolex (July 20-22); and the Newport International Boat Show (Sept 11-14). Additionally, Newport provides an abundance of outdoor activities and nightlife through every season, especially in the warmer months.

The Marina's central location provides owners and crew with easy access to Newport's impressive array of sightseeing attractions, galleries, museums, shops, trendy restaurants, and bustling nightlife. In season, Newport's beaches, historic mansions, golf courses, and parks are a short walk or bike ride away, and access to the harbor as a gateway to greater journeys - to Cape Cod, the Islands, Block Island, or beyond - is a pleasure.
