St. Michaels Marina

St. Michaels, MD

Something is happening in St. Michaels, Maryland! Imagine a small quaint town loaded with historical charm that also features great shops, trendy restaurants and waterfront hotspots.

St. Michaels is located on Maryland's Eastern Shore just a few nautical miles from Annapolis and Baltimore off the Chesapeake's Eastern Bay and Miles River. Located on the "Town Side" of the harbor -- St. Michaels Marina continues to set the standard for marinas up and down the east coast with its superb facilities, efficient dock personnel and three incredible restaurants that offer something for everyone.

The first thing you'll notice coming into the harbor is the American and British flags... a symbol of patriotism and history that shows the way to St. Michaels Marina's first-rate service and amenities including an in-ground swimming pool, an ample sundeck, and a ship's store with a wide assortment of boating supplies and accessories including a humidor filled with premium cigars, showers and restrooms, modern laundry facilities and WI-FI. The marina's able dockhands are eager to make sure your boat is properly secured and will see to all our your needs.

The marina features three restaurants including the St. Michaels Crab and Steak House. Locally called the "Crab House," it's known for a sitcom bar atmosphere and great food. Try one of Lesley's specialty drinks and or explore the impressive wine list. Michael Rork's Town Dock restaurant

has one of the best harbor views in all of St. Michaels. Sit outside and enjoy one of Chef Rork's regional specialties. For a more relaxed evening try Foxy's - an island attitude right in St. Michaels Marina with icy cold beer, margaritas, great steamed shrimp and juicy burgers.

A trip to St. Michaels is not complete without a visit to the smart array of shops on Talbot Street especially Chesapeake Bay Outfitters, the amazing Chesapeake Bay Maritime Museum and the St. Michaels Winery plus many others. And you shouldn't miss the Thursday night "Concerts in the Park" thru August. Visiting St. Michaels will only make you glad you decided to head into the Miles River.
