## The Hawks Cay Island Resort and Marina: The Florida Key's ultimate barefoot luxury resort

Halfway down the turquoise waters that surround the Florida Keys, one island stands apart from the rest. It is Duck Key, home to the Hawks Cay Island Resort and Marina. In the middle Keys, it's all about the water. World-class sport fishing, reef fishing, back country fishing, snorkeling, scuba diving, SNUBA™, the renowned Dolphin Connection program, waterskiing, wakeboarding, and parasailing are just some of the many ocean-bound adventures that draw visitors to Hawks Cay year after year.

Most impressive are the exceptional accommodations they offer boaters of all kinds. The Hawks Cay Island Resort and Marina is one of the best places to dock up in all of

the Florida Keys. Its 85 slips are able to accommodate vessels up to 110 feet in length. Of these, 52 slips offer the additional convenience of 30- and 50-amp shore power, freshwater hookups, cable television, telephone connections, and more. And, like any five-star marina, diesel and gasoline, showers, and laundry facilities are conveniently located on premise.

For those seeking an extra special experience few marinas can match, Hawks Cay Marina also offers boaters a chance to stay in one of the resort's exclusive Villas. Each of these unique two-story accommodations features at least two bedrooms, two bathrooms, a full kitchen, living room, balcony, covered patio, and the ability to sleep between six and

eight guests. Some of these Villas offer a slip for your boat for a sail in, sail-out experience.

Whether arriving by boat or plane, Hawks Cay Island Resort and Marina is a boaters' paradise. The marina is home to a small fleet of charter boats, boat rentals, and even the prestigious Colgate Offshore Sailing School. All craft are in top condition and come ready for trolling, cruising, diving or any other adventure with the on-site services of Sundance Watersports, Dive Duck Key and the Dockside Store. In no time, the Hawks Cay Marina team can outfit your own boat or one of theirs with everything needed to take full advantage of the Atlantic Ocean and the Gulf of Florida.

In the evenings, the waters take on a little more sparkle as the Florida Keys nightlife gets into full swing. On site, the laid-back fish shack atmosphere of Tom's Harbour House makes for a perfect end to a day on the water or the perfect beginning to a night alongside it. Fresh seafood, steaks, or your own catch grace the menu daily along with tropical drinks and frosty beverages. Hawks Cay doesn't disappoint with five different restaurants, a number of bars, and a poolside fire pit, and more.

Visit Hawks Cay and enjoy the trademark casual chic ambience of the Florida Keys' ultimate barefoot luxury resort. ❖
