

What's new with marinas?

The Palm Harbor Marina

► In West Palm Beach, developers recently broke ground on a \$20 million marina project. **The Palm Harbor Marina** in West Palm Beach, FL is scheduled to open in the fall of 2009. This 200-slip marina will be able to accommodate vessels up to 250 feet in length.

► **Harborage Yacht Club and Marina** in Stuart, FL received the National Marina Day “Marina of the Year” Award in celebration of National Marina Day 2008. To celebrate, Harborage held an all day event that included tours of their facility, in-water boat shows, and land-based displays. As the winner of the “Marina of the Year” Harborage will be the kick-off site for this year’s National Marina Day which is August 8, 2009. Keep a look out for National Marina
